## Ek Ped Maa Ke Naam 2.0

## ॥ एक पेड़ माँ के नाम 2.0

The essence of 'Ek Ped Maa Ke Naam' is a symbolic gesture—planting a tree in the name of one's mother. This simple act serves a dual purpose: honoring the role of mothers in nurturing life and contributing to the health of the planet. Trees are life-sustaining, and just like a mother, they provide sustenance, protection, and a future for the next generation. Through this initiative, participants not only create a lasting memory in the honour of their mother, but also are addressing the pressing need for environmental preservation.
